

WAITING FOR A CRYOGEN DEWAR TO BE UNLOADED FROM THE ELEVATOR?

DO NOT RIDE THE ELEVATOR WITH A CRYOGEN DEWAR!

1. WAIT FOR THE ELEVATOR TO RETURN TO YOUR FLOOR WITHOUT A CRYOGEN DEWAR AND THEN PROCEED AS NORMAL.

SOMEONE SHOULD REMOVE THE CRYOGEN DEWAR WITHIN 1-2 MINUTES

2. USE AN ALTERNATE ROUTE

**WEST ELEVATOR:
SERVICES GROUND
THROUGH 4TH FLOOR**

**EAST ELEVATOR:
SERVICES 2ND
THROUGH 5TH FLOOR**

**FREIGHT ELEVATOR:
SERVICES GROUND
THROUGH 5TH FLOOR**
